

Facebook Manager

Social Media (Facebook, Twitter, Websites, electronic signs) are powerful means to putting information about the church in front of our neighbors. Facebook with both its text and graphics, is a quick means of getting our message out.

Our site may be found at

https://www.facebook.com/search/top/?q=lake%20gibson%20united%20methodist%20church&epa=SEARCH_BOX

The Facebook Manager gets information from the Administrative Secretary about upcoming events and posts them into the Facebook account.

Knowledge of how Facebook works and how it might be enhanced are important to this position. Creativity is helpful and wording of the posts and finding appropriate graphics to enhance the site.
